HOW TO PAY WITH ETRANSFERS

Step 1 – Must have a Canadian Bank

Step 2 – Know how much you owe in USD. If you don't know that amount, go to registration page or [click here](#).

Step 3 – Go to home page of the www.vegasbaby.ca website and look for this converter

Step 4 – in the left box, type the amount you want to send. It will do the actual conversion rate at that moment.

Step 5 – Login to your online banking and send an email transfer to info@vbgolf.ca . It will not require a password. If your online banking allows for a message, let me know who your professional is or put TBA.

Thank you, reach out to Scott at info@vbgolf.ca if you have any questions.
